H1N1 Influenza Clinic Results, December 2nd, 2009 at Lexington High School

On Wednesday December 2nd, 2009, an EDS style H1N1 Influenza Clinic was held at Lexington High School, which was staffed by School Nursing Services, School Administrators, Medical Reserve Corp Volunteers, Flu Buster's Inc. and Office of Community Development, Health Division employees. There were One Thousand Eleven Hundred Fifty Four (1154) children and Three Hundred Fifty two (352) adults vaccinated for *H1N1 Influenza*. Additional clinics will be planned as soon as *Seasonal and H1N1* vaccine becomes available over the next few weeks.

Below, you will find a few photos from the December 2nd, 2009 clinic. In addition you will also find a chart, which outlines the number of citizens who were vaccinated with either *H1N1 Mist* or *Inject able* H1N1 Influenza vaccine which are reported by specific age groups.

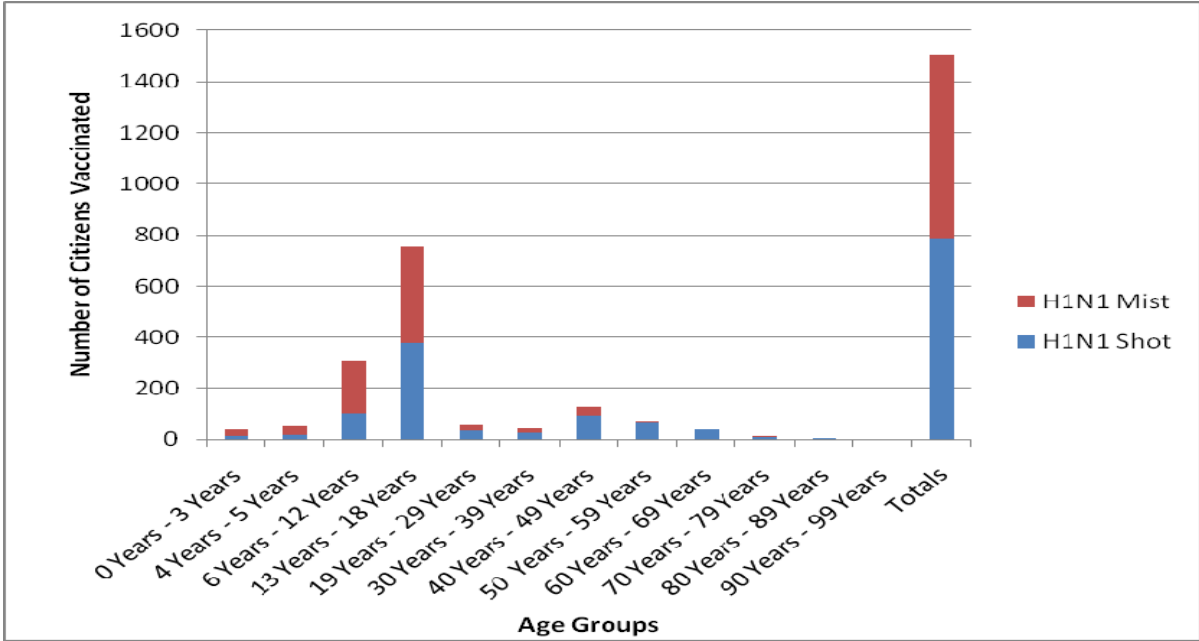

Clinic Starting line at high school.

Vaccination stations in the Media Room.

H1N1 Vaccination December 2nd, 2009
